HELP AN ADDICT FIND RECOVERY, BE A PHONE-LINE VOLUNTEER 603-645-4777

Granite State Area Public Information Subcommittee

Name	M/F	Phone number (Will be kept confidential)	Clean Date	Town	Best time to take calls **(Very Important)**

The 12 Step list is used by the GSA Public Information Subcommittee

Pager Carriers refer 24 hour Helpline callers to people on the 12 Step list that are looking for meetings, asking for directions, or just simply need to talk to someone in recovery either because they think they might use or want to stop using.

Things you should know:

- You must have 1 year clean to be on the list.
- You should never meet an addict alone; always contact another to go along.
- Never give any personal information to a caller.
- **Always use *67 when returning calls to block your caller ID.**
- Please contact the GSA Public Information Committee for the 12 Step List DO's & Don't's list.

Group Service Representatives, please pass this around to your meetings and return it to Area the following month or mail this to the Area PO Box, attention PI Committee. You can also announce that addicts can use our website to sign up for this 12th step list. Thank you.
